PURPOSE OF FORM

This form may be completed by the employer when a worker's regular wages are insufficient to cover the withholdings for California disability insurance and personal income taxes due on the cash tips reported to the employer by the worker. Once this form is submitted to the Employment Development Department, the employer will be relieved of the responsibility to pay the DI and PIT amounts due and the worker will be assessed for these amounts by the Department. [Ref. Section 1088.6 of the California Unemployment Insurance Code (CUIC).]

INSTRUCTIONS TO EMPLOYER

This form is to be used only if the employer is unable to collect the amounts due from the worker. Prepare an original and three copies to be distributed as follows:

- Original and one copy to the worker.
- Second copy is to be attached to the employer's DE 7, Annual Reconciliation Return, and sent to the Department.
- Third copy is to be retained by the employer.

INSTRUCTIONS TO WORKER

California disability insurance contributions and personal income taxes are the worker's responsibility. However, the employer is liable to pay these contributions to the Employment Development Department and can collect the amounts due from the worker's regular wages or directly from the worker.

If the employer is unable to collect the contributions from the worker, the employer can furnish the worker with a written statement showing the amount unpaid. After the worker receives this statement, the amount due is to be paid by the worker directly to the Department at the address shown on the front of this form. [Ref. Section 987.7 of the CUIC.]
